Reddit -- The influence of title length on interaction

JIRA

The screenshot shows a JIRA project board with the following columns:

- TO DO**: Contains a "+ Create" button.
- IN PROGRESS**: An empty column.
- IN REVIEW**: Contains a "+ Create" button.
- DONE**: Contains 3 items:
 - GCP and Astronomer Setup**: Underlined, indicating it's the current task. It has a green checkmark and is associated with **DATA INGESTION & PIPELINE SETUP**, **SCRUM-11**, and **BW**.
 - Pipeline Creation and Cron process Setup**: Underlined. It has a green checkmark and is associated with **DATA INGESTION & PIPELINE SETUP**, **SCRUM-13**, and **SC**.
 - API and Cloud Function**: Underlined. It has a green checkmark and is associated with **DATA INGESTION & PIPELINE SETUP**, **SCRUM-12**, and **S**.

A tooltip for a group icon in the bottom left corner reads: "a group" and "Atlassian Community helps you discover the wonderful world of Jira!"
